

ST JAMES' C OF E JUNIOR SCHOOL

NEWSLETTER - 20th January 2017

Something to be proud of:

In literacy, year 4 have been looking at stories with a Victorian London setting. Victoria has been able to make an excellent comparison of present London and Victorian London using historical sources. She was able to describe, in detail, what happened to poor Victorian children. In addition, she offered her opinions about the treatment of these children and justified her views well.

Home Learning Projects

As ever, the home learning projects completed by the children were of a very high standard. If you would like to see these projects they are on display in the school hall. Additionally, many more wonderful home learning projects are on display in the classrooms. Make arrangements with class teachers if you would like to see these. Two children from each class received certificates in assembly this week, for their hard work.

Attendance and Punctuality

The class with the highest attendance last week was Zinnia with 100% attendance. The most punctual pupils were in May and Tulip classes.

Well done to everyone in those classes.
