

ST JAMES' C OF E JUNIOR SCHOOL
NEWSLETTER - 30th June 2017

Something to be Proud of

Rebeca independently was able to add fractions with different denominators and was able to convert improper fractions into mixed numbers.

Reading Gladiators

After reading several adventurous, captivating books, the Reading Gladiators battled it out in the competition finals. They fought hard to win second place for their drama challenge, based on their favourite book!

Home Learning Assembly

Well done to the pupils who received recognition and a certificate for their home learning project this week. The projects were of a very high standard and if you would like to see them they are on display in the school hall.

We would like to congratulate all the children that submitted home learning projects. The standards continue to improve and staffs are incredibly impressed with contributions of parents, carers and family members. Please keep up the fantastic work! Look out for a photograph in next week's newsletter.

International Day

If you are providing food for our International Day event on Tuesday, please deliver donations at the school office, either in the morning or after school.

As per school policy, all food contributions must be 'Nut Free' please.

Attendance and Punctuality

The class with the highest attendance last week was Poppy with 98.6%.
The most punctual pupils were in Lily class. Well done to everyone in those classes.

Year 6 Fundraising

The Year 6 students had a mini summer fete to raise funds for their upcoming trip to Adventure Island. Today students were encouraged to participate in the non-uniform day and to support the Year 6 students by buying cakes, popsicles and other treats at break time. After school, lots of activities took place in the playground, between 3.30 pm and 4.30 pm. There were books, toys and tasty treats on offer as well as a football penalty shootout competition. We thank you for your continued support of the Year 6 students and we wish them every success. We will report how much we collected next week.

Online safety tip of the week

If your child is being bullied online, save all available evidence and know where to report the incident. For example, to the school, the service provider or the police, if the law has been broken.

After- School Clubs

Next week is the last week for all after-school clubs. All clubs both morning and evening will end on Thursday, 6th July 2017.

Letters Home

Year 6 - Southend Visit
