Something to be proud of

Aniyah from Iris class produced an excellent piece of writing. The children composed an alternative ending to our class novel 'Running Wild'. Aniyah was able to write creatively including interesting adjectives, expanded noun phrases and good choice of vocabulary. Well done Aniyah!

Home Learning Project Assembly

As ever, the home learning projects completed by the children were of a very high standard. We are proud of all the effort that was put into these projects. Two children from each class received certificates in assembly this week for their hard work. Well done. If you would like to see these projects they are on display in the school hall. Additionally, many more wonderful home learning projects are on display in the classrooms. Make arrangements with class teachers if you would like to see these.

Attendance and Punctuality

The class with the highest attendance, last week, was Poppy with 100%. The class with the most punctual pupils, last week, was Ivy. Well done to everyone in those classes.

Maths times tables of the week.

Please be reminded that children need to practise their times tables daily.

Year 3 should be learning their 4 times tables daily at home.

Year 4 should be learning their 4 & 8 times tables daily at home.

Year 5 should be learning their 9 times tables daily at home.

Year 6 should be learning their 6 & 9 times tables daily at home.

Online safety tip

If your child is being bullied online, save all available evidence and know where to report the incident, for example to the school, service provider, or the police if the law has been broken.

Reading tip

When you are reading consider how a character's actions may be showing how they are feeling. For example, if a character begins to turn red, this could indicate that they are angry. What clues can you find to show how a character is feeling?
