

"A place where we aspire to excel in knowledge, faith and love."

ST JAMES' C OF E JUNIOR SCHOOL
NEWSLETTER - 10th January 2020

Welcome back

We hope you had a good break, are feeling refreshed and that you are looking forward to the New Year and a new term at St. James'.

Something to be proud of

This week we are proud of all of Year 3. Both Ivy and Sunflower class have settled in fantastically with their new teachers and are showing an excellent attitude to learning. They are all following instructions, participating well in lessons and consistently showing the 4Cs.

Attendance and Punctuality

The class with the highest attendance, during the last week of school, was Orchid with 93.2%. Well done to Orchid class.

Changes to Personal Information

It is essential that the school has up to date contact information for you and your child. If there have been any changes in address or telephone numbers, please inform the school in writing or inform the staff in the office.

It is also important that we are informed about your child's collection arrangements at the end of the day. Please ensure that the names of **all** individuals who have permission to collect your child are given to the office. Failure to inform the school can result in delaying your child from leaving school, which can be upsetting for the child involved.

After- school clubs

Extra-curricular clubs resume the week beginning Monday, 13th January 2020. Please ensure that your child is collected promptly from school at 4.30 pm.

Reading tip

Remember when you are reading, that the pictures are just as important as the words. What can you see? What is happening in the images? What do they tell you about the story? What predictions can you make using the images?

Maths times tables of the week.

Please be reminded that children need to practise their times tables daily.

Year 3 should be learning their 3 times tables daily at home.

Year 4 should be learning their 3 & 6 times tables daily at home.

Year 5 should be learning their 8 & 9 times tables daily at home.

Year 6 should be learning their 7 & 8 & 9 times tables daily at home.

Online safety tip

- Set up a family email address that your children can use when signing up to new games and websites online. This is one way you can monitor their online activity.

Letters home

- Y6 - Booster classes

Dates for your Diary

The school's term dates and holiday dates have been published on the school's website:

www.st-james.newham.sch.uk

Enjoy the weekend.
