ST JAMES' C OF E JUNIOR SCHOOL

NEWSLETTER - 9th October 2020

Safe return to school

We would like to thank all the parents and carers who have worked with us to enable over 90% of our children to return to school safely. This is a great start to a new school year under such unusual circumstances. We would like to remind parents and carers to observe the current social distancing rules and to wear face masks while at the school gate.

Something to be proud of

This week Polina was able to use advice given to her in her book to find missing numbers in addition problems. She stayed resilient and worked hard and ended up being very successful! Well done Polina!

Year 6 - 7 Transition online application

Apply online: You can apply for a secondary school place for September 2021 through the [eAdmissions website](#).

If you have not yet completed your child's online application transfer to secondary school, please be aware that this must be completed by Saturday, 31st October 2020. Any online applications after this date will be considered 'late applications' and you may not receive any of the schools you have requested for your child. When you have completed and submitted your child's application form online, you will be issued an application reference number. Please provide the school with these details.
