

"A place where we aspire to excel in knowledge, faith and love."

ST JAMES' C OF E JUNIOR SCHOOL

NEWSLETTER - 30th April 2021

Something to be proud of

This week Larissa has been able to use the advice given to her in her book to help her convert between different units of length. She stayed resilient and worked hard to solve conversion problems. Well done Larissa!

Cycle Training

The children in year 5 and 6 have completed Bikeability training this week. This was a great opportunity for them to develop a lifelong skill and learn how to be safe on the roads.

Parents Evening

Unfortunately we had to cancel our parents evening this week due to a technical problems with our telephones and internet. We have rearranged parents evening for Tuesday, 4th and Thursday, 6th May 2021. These will be at the same times you were originally given by your child's class Teacher. If you did not receive a text message from the school via teachers2 parent's app, please come into the school office to check that we have the correct contact numbers for your child.

Gardening club

The children in gardening club this week, have been planting broad beans, Sedums, Vincas, Forget me not, Peas, Alpines and Sunflower seeds. If you have any plants that you wish to donate to the gardening club, please send them via the school office.

Consideration

We are asking parents to be mindful and considerate of our neighbours and other road users when dropping off and collecting your children from school. Please do not park on the yellow zig-zags or leave your car in the middle of the street. It has also been brought to our attention that some parents have been emptying their cars of litter onto the street. This is a health and safety issues as well as inconsiderate to our neighbours and the community.

Dates for your Diary
