ST JAMES' C OF E JUNIOR SCHOOL
NEWSLETTER - 28th May 2021

Something to be proud of.

Clover class has worked very hard this half term in all curriculum areas. They have worked hard to show Care, Consideration, Courtesy and most of all Co-operation. During their mini projects in DT and Geography they have shown that they work well together and through co-operation they made some excellent 'moving vehicles' and their own version of 'wind turbines'. They have learnt about the advantages and disadvantages of wind turbine farms on our environment; giving their own opinions about wind energy. To finish the unit, they tested their own wind turbines to see how fast they would blow in the wind!

Brilliant club

This month our Brilliant Club students were able to take part in their virtual graduation ceremony. Well done to all those pupils.

Creative writing competition

This week we are celebrating some of our pupils having their work published in a book called 'A Wander in the Woods.' The children had to write a story in exactly one hundred words describing their journey through the woods. Twenty two children from St James' were selected and are now officially published authors! Well done!

Gardening club

This term the pupils in gardening club and Mrs La- Touche have had the privilege of working with The Green Forest Gate project which is a partnership between Loop Labs and the Forest Gate Community Garden. Our school was gifted a variety of fruit trees, herbs and shrubs.

Poetry

As a part of the RE poetry competition, pupils composed poems about their life and lockdown experiences last week. The best 10 poems across the school were then selected and sent to the Newham Judging Panel. Our school have chosen ten winners who will be taking part in the next step of the competition. The winners are: Shanel (Sunflower), Caydon (Sunflower), Victoria (Iris), Rumana (Iris), Iqlas (Poppy), Jamai (Poppy), Layali (Daisy), Lily (Daisy), Mehraj (Clover) and Yahya (Clover).

We wish them all good luck and thank all the students who took part in the competition.

Cookery club

The children in cookery club have been cooking some delicious recipes this term with Mrs Maxim.

Attendance and Punctuality

The classes with the highest attendance, last week, were Poppy with 99.3% and Clover with 99.7%. The class with the most punctual pupils, last week, was Sunflower class. The class with the highest attendance for this academic year is Clover with 99.8% Well done to everyone in those classes.

Apply to the EU Settlement Scheme (settled and pre-settled status) GOV.UK

Who should apply.

Except in a few cases, you need to apply if:

You're an EU, EEA or Swiss citizen

You're [not an EU, EEA or Swiss citizen](#), but your family member is (or is an eligible person of Northern Ireland)

The EEA includes the EU countries and also Iceland, Liechtenstein and Norway.

This means you need to apply even if you:

Were born in the UK but are not a British citizen - you can [check if you're a British citizen](#) if you're not sure

[have a UK 'permanent residence document'](#)

Are a family member of an EU, EEA or Swiss citizen who does not need to apply - including if they're from Ireland

Are an EU, EEA or Swiss citizen with a British citizen family member

If you have children, you [need to apply for them separately](#).

If you're an EU, EEA or Swiss citizen and you have a family member who is an eligible person of Northern Ireland, [you may be able to choose which way you apply](#).

Who else can apply

You can [apply to join your EU, EEA or Swiss family member](#) if they started living in the UK by 31 December 2020. You can either:

Apply from outside the UK, if you have a certain type of passport, identity card or residence document

Come to the UK on an [EU Settlement Scheme family permit](#) and apply to the settlement scheme once you're here

You cannot apply to the EU settlement scheme from inside the UK if you arrived after 31 December 2020 and you're here:

On a Standard Visitor visa, Permitted Paid Engagement visa, Parent of a Child Student visa or Transit visa

Without a visa, for example if you came through an e-passport gate

You also cannot apply if you're here on a Marriage Visitor visa, unless you're applying after you have married or entered into a civil partnership with the EU, EEA or Swiss person you're joining.

Irish citizens do not need to apply to the settlement scheme. If they choose to, they can apply from within the UK regardless of how they entered.

If you're not an EU, EEA or Swiss citizen

You also may be able to apply if:

You used to have an EU, EEA or Swiss family member living in the UK (but you've separated, they've died or the family relationship has broken down)

You're the family member of a British citizen and you lived outside the UK in an EEA country together

You're the family member of a British citizen who also has EU, EEA or Swiss citizenship and who lived in the UK as an EU, EEA or Swiss citizen before getting British citizenship

You have [a family member who is an eligible person of Northern Ireland](#)

You're the primary carer of a British, EU, EEA or Swiss citizen

You're the child of an EU, EEA or Swiss citizen who used to live and work in the UK, or the child's primary carer

You're the [family member of a 'frontier worker'](#)

Who does not need to apply

You do not need to apply if you have:

[Indefinite leave to enter the UK](#)

[Indefinite leave to remain in the UK](#)

Irish citizenship (including British and Irish 'dual citizenship')

You cannot apply if you have British citizenship.

If you're an EU, EEA or Swiss citizen and you moved to the UK before it joined the EU

You only need to apply if you do not have [indefinite leave to remain](#). If you do have indefinite leave to remain, you'll usually have a stamp in your passport or a letter from the Home Office saying this.

If you work in the UK but do not live here ('frontier worker')

You do not need to apply to the EU Settlement Scheme if you're a 'frontier worker' or have a [Frontier Worker permit](#).

If you're exempt from immigration control

You cannot apply to the EU Settlement Scheme. You do not need to do anything to continue living in the UK while you're exempt from immigration control.

You'll have been told if you're exempt from immigration control, for example because you're:

a foreign diplomat posted in the UK

a member of NATO

Your family members may also be exempt from immigration control. If they are not, they may be eligible to apply to the EU Settlement Scheme.

If you and your family members stop being exempt, for example if you change jobs, you will usually need to apply to the scheme within 90 days. If you stop being exempt after 30 June 2021, you'll be able to apply after the deadline of 30 June 2021, as long as you were living in the UK by 31 December 2020.

Fees - It's free to apply to the scheme.
