Headteacher's Message

Dear Parents/Carers,
I hope you have all had a good week and are managing the colder weather! Please do make sure your children come to school well dressed for being outdoors and their clothing is well labelled with their name.

Natural History Museum

This week, Year 6 visited the Natural History Museum in South Kensington. Whilst there, we explored their British fossil collection and even saw a giant sloth! Furthermore, we went round the Volcanoes and Earthquakes gallery where pupils learnt more about different types of volcano, where the Ring of Fire is and the impact of an earthquake.

Both classes enjoyed their day out and we are proud of their behaviour on our educational visit.

Exploring Forest Gate

This week Year 3 enjoyed a walk around the local area. We were observing and recording evidence of physical and human features found in Forest Gate. The children impressed us with both their behaviour and knowledge. Well done Year 3, it was clear that you all had been working hard in our Geography lessons.

Guru Nanak

On Thursday our year 6 performed an assembly all about the life of Guru Nanak. The pupils shared information, did performances related to the main events in his life through songs and drama.
