Headteacher's Message

Happy New Year and welcome back to a busy Spring Term. I trust that you and your families had a lovely Christmas break and a good start to the New Year. It has been great to see so many happy faces this week and children excited about their new topics. We have another very busy term ahead with lots of trips and events planned for the coming weeks.

Following Autumn Term assessments, children are set new targets to work on during the Spring Term. These are shared with the children in school and are worked on when the children are completing their tasks in class. Progress towards these targets and new targets set, will be discussed with you at Parents Evening in February. If you have any questions about targets or how to help your child before Parents Evening, please speak to their class teacher.
