

Dear Parents & Carers

Another great week has ended and as always, thank you for continued support. After school clubs started this week and participation and levels of engagement by pupils have been very good. Please remember to inform the school office if you would like your Year 5 or Year 6 child to go home alone after club (club finishes at 4.30pm). Also, children participating in after school club must remember to bring their PE kit always.

This is an opportunity to wish you all a great weekend and we look forward to seeing you next week.
