

Dear Parents & Carers

What a busy few weeks it has been! We are just starting to see some signs of summer so some of our classes have enjoyed the different planned educational visits.

Reading Volunteers needed! Can you spare an hour or two per week to read with our children? Reading is such a fundamental part of learning and we promote a love of reading here at St James's. We try to provide as many opportunities for children to read during the school week, particularly those who do not read regularly at home. Perhaps there may be some grandparents who would be keen to help out? If you can spare an hour or two per week to read 1:1 with our children, we would love to hear from you. Please contact the school office.

Gentle reminder that PE is a part of the National Curriculum and children are expected to bring in their PE kit into school on a Monday and take it home on Friday.

What would you do if this happened to you? Think about it and post your answer on google classroom.

You get an e-message, via a social group mailing, about a party. You don't know the person. Your mates think it would be "a laugh to go and see what it's like".

- Talk to a trusted adult at home about it
- If they sent the invite to you, you should go.
- Trust your friends and go with them
- Ignore it
